ENSURE / MUSCLE MILK

No one should go hungry during the COVID-19 pandemic. As our community responds to the spread of coronavirus, COVID-19 related disruptions have greatly increased the need for emergency food across our community. Seniors are among those most at risk from COVID-19, and we have rapidly adapted to help this vulnerable community. Please consider donating today to help feed someone in need tomorrow. Have items to donate? Please drop off at NSC in our large donation bin out in front of our building (10201 E. Riverside Drive, Bothell, WA 98021)
