Message from our Board of Directors

It involves using good communication skills, having meaningful relationships, respecting yourself and others, and creating a support system that includes family members and friends. The social dimension of wellness involves developing, nourishing, and encouraging satisfying relationships. [Read More...](#)

So be on the lookout for more ways for you to partake in the fun with us soon.

Ever Considered A Legacy Gift?

On August 23rd the Northshore Senior Center is hosting a small lunch at the Heritage Restaurant in Woodinville, for those who have included us in their estate plans. If you have plans to do so or have already included us-we thank you and invite you to join us.

Legacy giving is a great way to honor our Northshore institution with a Bequest that will keep our 50-year legacy going. In this special year of our 50th Anniversary we invite you to make a difference and remember us in your future plans.

Please contact Nina McGuinness, NSC's Development Director via [email](#) or call (425) 286-1054 for more details.

UPDATED COVID-19 POLICIES:

NSC is no longer requiring guests to mask in most Senior Center facilities. Masks will still be required in the Adult Day Health and Inclusion programs. In deciding whether to wear a mask, please remember to "Read the Room" and respect the choices of others. NSC is closely monitoring health conditions in the Northshore community, and may adopt new safety protocols if local conditions change. Thank you for helping us keep Northshore safe and healthy!
